

Hind Institute of Medical Sciences, Safedabad, Barabanki - 225003

List of Publication

Department of Microbiology

S.No.	Title of Publication	Authors Name	Citation of Journal	Volume	Details of Indexing
1	Incidence of Metallo beta lactamases producing <i>Pseudomonas aeruginosa</i> in burn ward of a tertiary care rural hospital	Seema Bose, Atindra Krishna Ghosh, Rekha Barapatre	<i>International Journal of Biomedical Research,</i>	2012, 3(05), 233-238	Index Copernicus
2	Prevalence of drug resistance among <i>Enterococcus spp</i> isolated from a tertiary care hospital	Seema Bose, Atindra Krishna Ghosh, Rekha Barapatre	<i>International Journal of Medical and Health Sciences,</i>	July 2012, vol 1(3), 38-44	Index Copernicus
3	Clinicomycological profile of dermatophytosis in a tertiary care hospital	Seema Bose, Rekha Barapatre, Atindra Krishna Ghosh	<i>International Journal of Biomedical and Advanced Research,</i>	2013, vol 4(1), 31-34	Index Copernicus
4	Nonfermentative gram negative bacilli infections in a tertiary care rural hospital	Seema Bose, Atindra Krishna Ghosh, Rekha Barapatre	<i>International Journal of Biomedical and Advanced Research,</i>	2013, vol 4(2), 111-115	Index Copernicus
5	Emergence of multidrug resistance <i>Acinetobacter baumannii</i> in an ICU	Dr Seema Bose, Dr Rekha Barapatre, Dr Atindra Krishna Ghosh	<i>NJIRM,</i>	2013, vol 4(2), 11-15	Index Copernicus
6	An outbreak of typhoid fever in a Sainik school of rural Maharashtra	Seema Bose, Anagha G Kinikar, Deepak B Phalke	<i>IJBR,</i>	2013, vol 4(8), 3377-380	Index Copernicus
7	<i>Acinetobacter spp</i> , an emerging nosocomial pathogen: Its isolation pattern, biofilm formation and antibiotic susceptibility profile	Anagha Kinikar, S. Saini, Seema Bose, Sachin Deorukhkar	<i>International Journal of Health Sciences and Research,</i>	2014, vol 4(1), 79-84	Index Copernicus
8	Utility of chromogenic disc using replication system versus conventional method for detection of uropathogens	Seema Bose and Atindra Krishna Ghosh	<i>British Journal of Medicine and Medical Research,</i>	2015, vol 8(1), 76-81	Index Copernicus
9	Understanding of Quorum Sensing: A possible solution for drug resistance in bacteria	Seema Bose and Atindra Krishna Ghosh	<i>International Journal of Current Microbiology and Applied Sciences,</i>	2016, vol 5(2), 540-546	Index Copernicus
10	Fungal biofilm and medical device associated infection: Its formation, diagnosis and future trends: A review	Seema Bose, Atindra Krishna Ghosh, Sachin Deorukhkar	<i>Annals of Pathology and Laboratory Medicine,</i>	2016, vol 3 (1), 1 – 9	Index Copernicus

11	A study of device associated infection in an ICU of a teaching hospital of Maharashtra, India	Bose S, Saini S, Deorukhkar S, Kinikar A	<i>IJITD</i> ,	2014, vol 1(2), 68-72	Index Copernicus
12	Conjunctival Microflora and Their Antibiotic Susceptibility In North Indians Prior To Cataract Surgery.	Shrivastava Jyoti, Shrivastava Abhay Kumar, Tandan Priyanka, Singh Brij Nandan and Yadav Ramesh	International Journal of Current Microbiology and	Applied Sciences.2014;3(9):254-259	Index Copernicus
13	The Study of Clinical Manifestations Trend and Outcome of All Confirmed Dengue Cases Admitted In A Tertiary Care Hospital.	Shrivastava Jyoti, Shrivastava Abhay Kumar, Tandan Priyanka, Singh Brij Nandan and Yadav Ramesh	<i>International Journal of Health Sciences and Research (IJHSR)</i> .	2014; 4(8): 59-63	Index Copernicus
14	Methicillin and mupirocin resistance in nasal colonizers coagulase-negative <i>Staphylococcus</i> among health care workers	Loveleena Agarwal, Amit Kumar Singh, Anjali Agarwal , Amitabh Agarwal.	Medical Journal of Dr. D.Y. Patil University .	2016 Jul-Aug. 9(4):479-83.	Index Copernicus
15	High Prevalence of Human Metapneumovirus Subtype B In Case Presenting AS Sever Acute Respiratory Illness; An Experiences At Tertiary Care Hospital.	Bhawana Jain, Ajay Kumar Singh, Tanushree Dangi, Anjali Agrawal , Anil Kumar Verma, Mukesh Dwivedi, K.P. Singh and Amita Jain.	The Clinical Respiratory Journal.	2014; 8(2): 225-33	Pub med
16	Prevalence of Methicillin Resistance <i>Staphylococcus aureus</i> Colonization and Its Antibiotic Susceptibility Profile Among Health Care Personal In a Tertiary Care Set Up of North India.	Amit Kumar Singh, Mahendra Gupta, Anjali Agrawal , Prasant Gupta and Mastan Singh	International Journal of Current Microbiology and Applied Sciences.	2013; 2(10): 293-299	Index Copernicus
